It gets very windy here in the fall. Make sure your awnings are rolled up or tied down if you are not going to be here for a while.

**The final Hydro bill for the 2017 season will be ready to be picked up on September 8th.**

Doesn't it seem like the summer just flew by this year? With that comes the start of plans for next season. The fall deposit of \$400 is due October 15, 2017. If you are not returning, please let us know and your site should be vacated by the end of the 2017 season. It is \$10/night for anyone who wishes to have an extended stay.

As the colder weather draws near, the time to winterize your trailer is quickly approaching. If you would like to have your trailer winterized,

come see us at the store to have your name put on the list. The cost for this is \$60+HST for trailers and \$100+HST for park models. All requests for winterizing after October 15 will be charged \$100 for trailers and \$140 for park models.

We would like to thank all of you for an excellent season. We would like to especially thank all of those who have volunteered throughout this summer season. We could not have done it without you! Lastly, all of us at Lakewood would like to wish everyone a happy winter and we hope to see you all back again next season!

**May God be with you throughout the remainder of the year.  
See you in the Spring!**

Some of you may have noticed we have been working on a new addition to the house all summer. This is going to serve as our new office. If we are out of the store during off season times, we are usually still around. Please come visit us at the new office.

As the season comes to a close, it is time to clean up compostable items. Please put your compostable garbage on the compost pile at the bottom of the hill between the corral and valley. Also, a reminder to put your steel garbage in the steel garbage pile in the parking lot.

If you wish to store your golf cart for the winter with us in the Fellowship Hall, the cost is \$140.

Come join us on Saturday, October 7, 2017 for a Thanksgiving Potluck Dinner! It will begin at 5:30pm. In past years, we have had an overwhelming amount of people join us for the Thanksgiving dinner. It is nice to see so many people wanting to participate. However, in order to ensure that we can fit everyone in the building in case of inclement weather, we ask only seasonal campers registered to your lot attend. Don't forget to bring your own dishes and cutlery and your favourite dish. If everyone brings a dish with 10 servings or more, we should have enough to feed everyone, even if you are the last table to go up. Anybody willing to donate a turkey or to cook a turkey, please let us know at the store.
