We would again like to stress that the speed limit in the park is **15½ km/h**. Let's all do our part to make sure this is a safe campground for everyone!

Children under the age of 12 **MUST** be accompanied at the pool by a parent or guardian 16 years of age or older. To ensure the safety of your children, please abide by this rule and respect the authority of the supervisor on duty.

On Monday, July 10 at 2pm in the Fellowship Hall you are invited to try out some new paper-crafting techniques this month at our Lakewood Card Class. Golf carts are a privilege. You must have a valid drivers licence with you when driving a golf cart. We also require proof of liability insurance from all those owning a golf cart. Any golf carts that neglect any of the rules or do not have a 2017 Lakewood sticker will be parked. Also, the OPP have informed us that they will be laying charges to people driving golf carts on the highway.

Please make sure that your grass is cut. If you are away make arrangements with someone to have it cut. If this task is neglected we will do it for you at your expense.

Just a reminder that bikes should not be ridden after dark. Also, please ensure that your children are on their own site by 11:00pm quiet time.

We ask that you keep your site neat and tidy. This means all garbage is cleaned up. We would like to stress that the camp garbage bins are for your campground waste only, so keep your home garbage at home. We would also ask that you request permission to dispose of any construction or furniture garbage that you may have.

GATE CARDS are to be used by you and you alone. Please **DO NOT** lend them to anyone! If we find that a gatecard is being used by someone other than the owner, it will be taken away and disconnected from the system.
