The walking program is back! Every Monday, Wednesday, and Friday morning at 10am in the Fellowship Hall starting on Wednesday May 23. This walking program is organized by Wendy Britan and it is a great way to get in shape for the summer season. We look forward to seeing you all back out again. Thank you

Bored and looking for something to do? We are always looking for volunteers for various activities throughout the season. If you are interested in volunteering, there will be a sign up sheet for specific events for you to sign up for in the store. This is also great for achieving community service hours for high school students.

If you would like to purchase Lakewood swag, we will be accepting orders for sweaters and T-shirts with our logo on them. Please place your order in the store by August 12, 2018 so that we can have them in by Labour Day weekend. Cost is \$40 for a sweater and \$15 for a T-shirt.

Golf carts are a privilege. You must have a valid drivers licence with you when driving a golf cart. We also require proof of insurance from all those owning a golf cart. Any golf carts that neglect any of the rules or do not have a 2018 Lakewood sticker will be parked. Also, the OPP have informed us that they will be laying charges to people driving golf carts on the highway.

In the spring and summer there is a higher potential for severe weather. Signs of a tornado can include high winds, blowing debris, funnel clouds, and the sound of an approaching tornado (sounds like a freight train). If you suspect a tornado please tune into your local radio stations (1070am, 99.9fm, 106.3fm). If a tornado "warning" is issued please seek shelter in either the front washrooms or the Fellowship Hall. Do NOT stay in your trailer!

GATE CARDS are to be used by you and you alone. Please DO NOT lend them to anyone! If we find that a gatecard is being used by someone other than the owner, it will be taken away and disconnected from the system.

To keep up with the latest events at Lakewood and important announcements, visit us on Facebook.

The Tasty Tater will be open everyday from 11am—8pm starting May 18th. Come out for some delicious fresh cut fries!

Julia's hair Studio is still open for business. To book an appointment please call 519-384-3070. Price lists are available in the store.

We ask that you keep your lot neat and tidy. This means all garbage is cleaned up. We would like to stress that the camp garbage bins are for your campground waste only, so keep your home garbage at home. To help deal with the abundance of garbage collected here, we have a compost pile at the bottom of the hill behind the Corral washroom on the left. We also have a wagon for steel waste in the parking lot. The proceeds from that wagon go to people in need. We would also ask that you request permission to dispose of any construction or furniture garbage that you may have.

We would again like to stress that the speed limit in the park is **15½ km/h**. Let's all do our part to make sure this is a safe campground for everyone!

Please make sure that your grass is cut. If you are away make arrangements with someone to have it cut. If this task is neglected, we will do it for you at your expense.
